ABOUT ME

Freshly squeezed and packed full of natural creative juices, I'm a digital ninja that has the passion to take an idea and bring it to life.

EXPERIENCE

SR. INSTRUCTIONAL DESIGNER

2019 - Present

Apex Learning / Remote

Youth Digital was sold to Apex Learning. My role is to translate the technology courses I helped build to Apex's larger platform and into the public school sector.

INSTRUCTIONAL DESIGNER

2012 - 2018

Youth Digital / Durham, NC

Helped develop, design and teach online technology courses to over 100,000 students. Taught and starred in coding, animation and game design courses.

HEAD OF EDUCATIONAL TECH

2007 - 2012

C3 Cyber Club / Ashburn, VA

Responsible for developing the educational technology program for students in Kindergarten- 8th grade. We reached over 50 schools in the Tri-State area (Northern VA, MD & DC), developed technology classes for After School Programs.

DESIGN EXPERIENCE

PRIMARY APPS

EDUCATION

COLLEGE

2002 - 2006

Art Institute - Washington DC

Bachelors of Fine Arts in Media Arts & Animation. Concentration in 3D Modeling & Animation. Relevant coursework included Film Making, Photography, Web Design, and Graphic Design. My artwork was displayed at SIGGRAPH for the Art Institute's Best of Class category. Dean's List, 3.4 GPA.

HIGH SCHOOL

1999 - 2002

Park View High School - VA

Concentration of elective courses included Auto CADD Drafting, 3D Modeling, Photoshop, Art I, and Art II. These courses help build my digital portfolio which lead to my acceptance of the Art Institute of Washington DC.

ACHEIVEMENT

FILM FINALIST

June - 2007

"Nintendo Shortcuts" Film Contest

Created and filmed a short five minute Nintendo themed film. which was ranked in the top 10 among a nationwide film contest. My film was premiered at The Rockefeller Center and later was used in the opening presentation of Nintendo's 2007 E3 Press Conference.
